

Aegon Global MM European Equity Fund - EUR - Class I

Fund description

The fund invests in equities of listed companies in Europe. The fund is a feeder-fund with the objective to permanently invest 85% or more of its assets in the Aegon Global Multi Manager European Equity Fund (the 'master-fund'). In addition, the British pound exposure in the benchmark is hedged to the euro.

TKP Investments (TKPI) uses a structured multi-manager investment process for asset management. This means that on the basis of an intensive selection process, specialized external managers manage the assets. The investments are passively managed. In principle, one external manager is appointed for cost reasons.

The Fund has a Socially Responsible Investment Policy. Do you want to know more?
