

# TKPI MM Global Credit Ex Financials Fund - Unhedged

## Fund description

The Fund invests in corporate bonds, excluding bonds issued by the financial sector.

TKP Investments (TKPI) uses a structured multi-manager investment process for asset management. This means that on the basis of an intensive selection process, specialized external managers manage the assets. The investments are passively managed. In principle, one external manager is appointed for cost reasons.

The Fund has a Socially Responsible Investment Policy. Do you want to know more?
